

## Tough, protective moulded cases for Motorola GP340 radios

- 1 Protects your GP340 radio and shrugs off everyday wear and tear
- 2 Available in two sizes to suit Motorola's Li-Ion, Ni-MH and Ni-Cd GP340 batteries
- 3 Retains radio functionality
- 4 Manufactured from hard-wearing material
- 5 Can be used with either our GP340 Klick Fast Stud or the Motorola Belt Clip
- 6 Allows use of Remote Speaker Mic

**Moulded Protection**

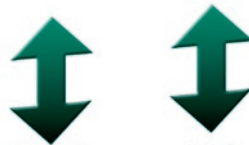

Moulded Case for: <i>small battery</i> <i>either Nickel battery</i>	<b>Part Number:</b> RGP340 P4LI RGP340 P4NI
GP340 Klick Fast Stud	RSTUD GP340

Different size cases suit batteries of different thicknesses.

Belt Clip or Klick Fast Stud simply clicks into place.

Choose from the Motorola Belt Clip (left) or Klick Fast Stud (right).

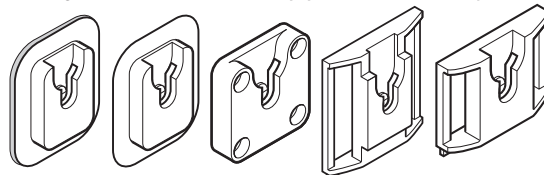

The Klick Fast Stud allows the radio to be carried in the full range of Klick Fast Docks (see below, or 'phone for a Klick Fast brochure).

Case design allows full access to radio functions (including the Remote Speaker Microphone) and a choice of carrying methods.

Our range of Klick Fast Docks allows equipment to be carried anywhere:

Stick-on   Sew-on   Screw-on   2 inch Belt   1 1/2 inch Belt   and more...
