Finding the right Peter Jones case... made easy

Maxon SL55, SL25, SL100
illustrated

HeavyDuty

P2, the workhorse of the range. Tough, firm leather cases built to survive the rigours of industrial environments.

Our new production facilities mean that P2 rated cases combine Peter Jones quality with **unbeatable prices**.

P2LF

Firm leather case with fixed leather flap, press-studded leather belt loop and twin D-rings

P2PV

Firm leather case with fixed PVC flap, press-studded leather belt loop and twin D-rings

P2RS

Firm leather case with fixed rubber T-strap, press-studded leather belt loop and twin D-rings

LightUsage

Our P1 rating applies to soft leather cases for stylish day-long comfort in environments such as offices, shops and warehouses. Their low price doesn't mean that their quality has been compromised however, these are genuine Peter Jones cases after all.

P1SP

Soft leather case with rubber T-strap, press-studded leather belt loop and twin D-rings

P1PO

Elastic sided case in water repellent medium-soft leather now with leather covered metal belt clip and twin D-rings

P1RG

Elastic sided case in nylon lined soft leather with leather covered metal belt clip and twin D-rings

HYT

TC265, TC518, TC600, TC610, TC620, TC700, TC2110
