FREE ADVERTISING!

Do you hire out radios? Are you missing out on free advertising on your hire radio cases? We can display your company's name, logo* and even telephone number on every case we supply.

This means free advertising for your company wherever your radios go. Illustrated are just four of the ways our cases can promote your company whenever your radios are out on hire.

Advertising can be very expensive, so don't miss out on this opportunity to get noticed!

Also available for your Hire Fleet...

a wide choice of carrying straps, belts, harnesses and clips in nylon and leather.

Embossing your details into the leather itself gives a subtle but very hardwearing effect. Stand out from the crowd with hot stamped foil blocking in a wide range of colour choices. A sewn-on pocket allows instant replacement and updating of any printed material. Or why not have a coloured case to make your Hire Fleet stand out on site?

* A tooling setup charge applies for logos
