P3 Extreme!

P3, the new name for the traditional Peter Jones quality level. A P3 rating means no compromise cases for the toughest working environments. Cases rated for P3 use are all hand-made using the finest leathers to give unparalleled durability & performance.

P3LF
Best quality firm leather case with fully removable leather flap, press-studded belt loop and twin D-rings

P3PV
Best quality firm leather case with fully removable PVC flap, press-studded belt loop and twin D-rings

P3CF
Best quality firm leather case with fully removable cord strap, press-studded belt loop and twin D-rings

P2 HeavyDuty

P2, the workhorse of the range. Tough, firm leather cases built to survive the rigours of industrial environments.

Our new production facilities mean that P2 rated cases combine Peter Jones quality with **unbeatable prices**.

P2LF
Firm leather case with leather flap, press-studded leather belt loop and twin D-rings

P2PV
Firm leather case with PVC flap, press-studded leather belt loop and twin D-rings

P2RS
Firm leather case with rubber T-strap, press-studded leather belt loop and twin D-rings

P1 LightUsage

Our P1 rating applies to soft leather cases for stylish day-long comfort in environments such as offices, shops and warehouses. Their low price doesn't mean that their quality has been compromised however, these are genuine Peter Jones cases after all.

P1PO
Elastic sided case in water repellent medium-soft leather now with leather covered metal belt clip and twin D-rings

P1RG
Elastic sided case in nylon lined soft leather with leather covered metal belt clip and twin D-rings

How to order: To generate an order code, simply specify your radio's part number (eg **Tait 5040**) and add the required case's part number (eg **P3PV**) to make, in this example, **Tait 5040/P3PV**.

N.B. Add KF to the end of the order code to replace the belt attachment with a Klick Fast connector, at an extra cost. Please specify size of Belt Dock required.

 <p>Klick Fast connector Combines quick release and click stop ratchet functions in one. Klick Fast cases can be docked to belts (four sizes available, see right), store cupboards, personal lockers, car dashboards etc. (See page 18)</p>	1.25"	32mm	
	1.5"	38mm	
	2"	50mm	
	2.4"	60mm
